

## **BRUSH PICK-UP**

The regular Brush Service will be ending on **October 15, 2012**. The Brush Service provided by the Public Works Department was designed for branches **ONLY!** Please be sure to pile your branches neatly at the curbside for pick up. A few words of advice from our Public Works Department:

### **PLEASE...**

- **DO NOT** place branches out in the street, please pile them curbside
- **DO NOT** put branches into garbage cans
- **DO NOT** put other yard waste in with the brush
- **DO NOT** put branches in plastic bags or bio-degradable bags
- **DO NOT** place whole tree pieces or logs at the curb

**Otherwise, the branches will NOT be picked up.** The Village has enacted these policies to help ensure the safety of motorists, pedestrians and our Public Works staff. Moreover, the DPW does not want to damage any of its equipment while providing this service to Village residents. Thank you very much for your cooperation.
